Respected Sir/ Madam,

Greetings from IIT Delhi.

We would like to inform you that Indian Institute of Technology Delhi is organizing the below TEQIP-III programmes. These courses are designed for the faculty members and the research scholars in TEQIP-III institutes.

1. Short Term Course on "Advances in Energy Storage Technology" from 09th March to 13th March, 2020  
Coordinator: Prof. Dibakar Rakshit, Centre for Energy Studies
2. Short Term Course on "Vibration Analysis of Rotor Bearing Systems" from 02nd March to 06th March 2020  
Coordinator: Prof. Ashish K. Darpe, Department of Mechanical Engineering
3. Short Term Course on "Advanced Polymer Composites & Nanocomposites" from 13th March to 17th March 2020  
Coordinator: Prof. Bijay P. Tripathi, Department of Material Science and Engineering
4. Short Term Course on "Mechanics of Composite Materials" from 19th March to 23rd March 2020  
Coordinator: Prof. Gaurav Singh, Department of Applied Mechanics

You are requested to forward this brochure to the relevant Faculty members/ and research Scholars and send at least two faculty member from your institute/organization for attending this course.

For further information related to the courses, we request you to visit our website: [http://cepqip.iitd.ac.in/teqip\\_prog.php](http://cepqip.iitd.ac.in/teqip_prog.php). In case our any clarification, feel free to contact us.

Regards,

Ashwani Sharma
