## 1. INTRODUCTION

Kamla Nehru Institute of Technology,(KNIT) was established initially as a faculty of Technology, Kamla Nehru Institute of Science & Technology, Sultanpur in 1976 by the Kamla Nehru Memorial Trust, Sultanpur. However, in 1979, the Government of Uttar Pradesh took over the Faculty of Technology with a view to develop a full fledged Institute of Engineering and Technology in the eastern region of the state which is popularly known as the Avadh Region. The Institute was then registered as a society in 1983 and renamed as Kamla Nehru Institute of Technology. The Institute is presently affiliated to U.P. Technical University, Lucknow. It is situated 04 km away from the city on Allahabad-Faizabad highway on the bank of river Gomti.

The Institute runs U.G. (**B.Tech**) courses in six disciplines namely, Civil Eng., Computer Science & Eng., Electrical Engg., Electronics Engg., Mechanical Eng. & Information Technology with a total intake of **384** (340 sanctioned intake + 10 other states nominees + 34 over & above 10 % of sectioned intake as economically weaker.) students. Out of Six disciplines, four disciplines, namely Civil Eng., Electrical Eng., Electronics Eng. and Mechanical Eng. are accredited by National Board of Accreditation (NBA), AICTE. Under **P.G. Courses**, Institute runs Masters of Computer Applications (**M.C.A.**) with an intake of 60 and **M.Tech** in Power Electronics & Drives (Electrical Eng. Dept.) and Thermal Engineering (Mechanical Eng. Dept.) each with an intake of 18. In addition to the above, **Part-Time P.G.** (M.Tech.) Courses are also run by Civil, Electrical, Electronics and Mechanical Engineering Departments each with an intake of 13 for the employed engineers of the near-by region. The faculty of the Institute is also actively involved in supervision of Doctoral Theses in all the disciplines of Engineering and Applied Sciences & Humanities.

The Institute hosts centre of Indira Gandhi National Open University (IGNOU) for running various programmes such as Certificate in Computing (CIC), Bachelor of Computer Applications (BCA), Master of Computer Applications (MCA), Bachelor of Technology in Water Resources Engg. (B.T.W.R.E.), Bachelor of Technology in Mechanical Engineering (BTME), Diploma in Civil Engineering (DCE), Diploma in Mechanical Engineering (DME). In order to contribute meaningfully to the Socio- Economic growth of the region in and around Sultanpur District, the Institute renders the testing and consultancy services to the neighboring industries and various other agencies.

The Institute lays great emphasis on Industry-Institute Interaction and Continuing Education Programmes. An Industry-Institute Partnership (IIP) Cell financed by AICTE is functioning in the Institute. Stress is also laid on the development of quality of entrepreneurship among the students.

The Institute had the honour of being selected for the World Bank assisted Technical Education Quality Improvement Programme (TEQIP) of Government of India and was sanctioned ₹.101.6 millions for equipments, infrastructure, faculty and staff development programmes.

## 2. ADMINISTRATION

The Institute is an Autonomous Statutory Organization registered under Societies Registration Act of Uttar Pradesh. It is fully financially and administratively controlled by the State Government. Centrally, the affairs of the Institute are managed by the Board of Governors (BOG) with Hon'ble Minister of Technical Education, U.P. as the Chairman. There are Finance Committee, Administrative Committee, Academic Committee, Purchase Committee, and Building & Works Committee to assist the BOG in administering the functioning of the Institute. The academic matters of Students are governed by U.P. Technical University, Lucknow. Director is Head of the Institute who is assisted by teachers and officers in various capacities in running the affairs of the Institute.

### 3. COURSES OF STUDY

The Institute offers the following courses under semester system:

#### (A) Undergraduate Programmes (B.Tech.)

(4 years / 8 Semesters)

Branch	Sanctioned Intake
Civil Engineering	60* + 6**
Computer Science & Engineering	60* + 6**
Electrical Engineering	60* + 6**
Electronics Engineering	60* + 6**
Mechanical Engineering	60* + 6**
Information Technology	40* + 4**
<b>Total</b>	<b>340* + 34**</b>

\* AICTE sanctioned intake, \*\* 10% additional intake in lieu of the Fee Waiver Scheme

#### Note:

- The Institution under the **AICTE Tuition Fee Waiver Scheme** has been allowed to admit 10% of its sanctioned intake as an additional intake in the same discipline/branch of study.
- In addition to the above, a total number of **10 students** as **Other States Nominees** on behalf of the Govt. of India are admitted.
- 5%** seats on the total sanctioned intake approved by AICTE are available for Non Resident Indians (**NRI**).

#### (B) Master of Computer Application (M.C.A.)

(3 Years / 6 Semesters)

60

#### (C) M.Tech. (Full Time) - 4 Semesters (10 general + 5 Sponsored + 3 SC/ST)

(i) Civil Engineering

18

(Geotechnical & Geoenvironmental Engineering)

**“Raging is strictly prohibited.”**

(ii)	Computer Sc. & Engineering	18
(iii)	Electrical Engineering (Power Electronics & Drives)	18
(iv)	Mechanical Engineering (Thermal engineering)	18
<b>(D)</b>	<b>M.Tech (Part - Time) - 6 Semesters (10 Gen. + 3 SC/ST)</b>	
(i)	Civil Engineering (Geotechnical Engineering / Water Resources Engineering)	13
(ii)	Electrical Engineering (Solid State Controls / Power Systems)	13
(iii)	Mechanical Engineering (Machine Design / Industrial Systems Engineering)	13
(iv)	Electronics Engineering (Digital Electronics & Systems)	13

**(E) Doctoral Programmes (Ph. D.):**

Civil Engineering	Electronics Engineering
Computer Science & Engineering	Mechanical Engineering
Electrical Engineering	Humanities and Applied sciences

**4. ADMISSION ELIGIBILITY & PROCEDURE**

**4.1. Bachelor of Technology (B.Tech) Programmes**

**(a) Eligibility Requirements**

As notified in the Information Brochure of SEE-UPTU-2010

**(b) Mode of Admission**

- (i) The admission to **First Year B.Tech. and M.C.A. Programmes** will be made through the counseling conducted by U.P. Technical University, Lucknow based on the merit of candidates in the State Entrance Examination (SEE) - 2010 except for **Other State Nominees** which are nominated by the Government of India.
- (ii) The candidate after participating in the counseling is required to report at the institute on the date mentioned in the Allotment letter.
- (iii) The Candidate is required to submit the following documents at the time of reporting at the Institute for registration:
  - ◆ Allotment Letter issued by SEE-GBTU 2010
  - ◆ Admit Card by SEE-GBTU 2010, if admit card is submitted at counseling centre, then photocopy of the admit card
  - ◆ Original Certificate of high School (for proof of the age)
  - ◆ Original mark sheet of qualifying (10+2) examination
  - ◆ Original Character Certificate in prescribed format issued by Head of the Institute last attended
  - ◆ Original Transfer / Migration Certificate of the Institute last attended.

- ◆ Receipt of fee deposited at counseling centre
- ◆ Two Passport Size Photographs
- ◆ Medical certificate in prescribed format
- ◆ Affidavit In case of gap in studies

**Two Sets** of photocopies of all the documents/certificates mentioned above are also required to be submitted along with two recent passport size colour photographs

- (iv) No direct admission are made to Second Semester of First Year or subsequent years of the course, except for the Diploma Holders & B.Sc. graduates who are admitted to Second Year (third semester) through the counseling conducted by the U.P. Technical University on the basis of merit of candidates in SEE -UPTU- 2010.
- (v) Admission on migration/ transfer from other University/College is not permitted.
- (vi) Domicile requirement, age limit and medical standards are the same as prescribed in the information Brochure of SEE-UPTU - 2010.

**(c) Reservations**

As notified in the Information Brochure of SEE-UPTU-2010

**4.2. Master of Computer Application (M.C.A.) Programme**

**(a) Eligibility Requirements**

As notified in the information Brochure of SEE-UPTU-2010.

**(b) Mode of Admission**

Mode of admission to MCA programme is same as for the Undergraduates Programme.

**(c) Reservations**

As notified in the information Brochure of SEE-UPTU-2010.

**4.3. M.Tech. (Full-Time) Programmes:**

Admission to the above-mentioned programmes is made based on merit of the valid GATE Score by GBTU, Lucknow. However, in case of non-availability of sufficient GATE qualified candidates, NON - GATE candidates can be considered on vacant seats.

**4.4. M.Tech. (Part- Time) Programmes:**

**(a) Eligibility Requirements**

The eligibility requirements shall be as per norms of G.B. Technical University Lucknow.

**(b) Mode of Admission**

Admission is made on the basis of merit of a candidate in the written test / interview conducted by the concerned department on a specified date.

**4.5. Doctoral Programmes**

**(a) Eligibility Requirements**

The eligibility requirements are as per the norms of G. B. Technical University, Lucknow.

**(b) Mode of Registration**

The application for registration is required to be made on the prescribed application form of G.B. Technical University, Lucknow.

**“Raging is strictly prohibited.”**

#### **4.6. ACADEMIC YEAR**

Academic year consists of two semesters, namely the **Odd Semester** and the **Even Semester**, each having ordinarily, duration of 90 working days. All academic programmes of the Institute are administered according to the academic calendar.

The timings observed by the Institute for academic purposes are ordinarily from 9.10 A.M. to 4.30P.M. Any change in the timing is properly notified. No Notices are circulated in the class rooms. Students are advised to see the notice boards of their respective departments, administrative block, library, hostels, workshop etc regularly.

#### **5. ACADEMIC & ALLIED DEPARTMENTS**

The Institute has following Academic Departments and academic facilities

**Department of Applied Sciences & Humanities**

**Department of Civil Engineering**

**Department of Electrical Engineering**

**Department of Electronics Engineering**

**Department of Mechanical Engineering**

**Department of Computer Science & Engineering (includes M.CA. and Information Technology)**

**Workshop**

**Central Library**

#### **Department of Applied Sciences & Humanities**

The Applied Sciences and Humanities Department is an allied department which serves as a bedrock for the engineering departments of the Institute. The department takes care of core subjects like Mathematics, Physics, Chemistry and Professional communications. The department has competent and knowledgeable faculty and well equipped laboratories.

### **Department of Computer Science & Engineering**

Computer Science & Engineering Department is the largest department of the Institute. It offers B.Tech. (Computer Science. & Engineering), B.Tech. (Information Technology) and MCA programmes. The Department is well equipped with high end computers, latest software & state-of-the-art IT infrastructure. All computing resources are inter-connected with high speed internet. The campus wide Networking facility is also managed by the department.

The Department has a well qualified faculty and several well equipped laboratories catering to the needs of not only the CSE, IT and MCA students but also students from other departments. The

present infrastructure is sufficient enough to carry out research and other academic work by UG and PG students. The Department has following Computing facilities/Laboratories.

**(1) Computer Centre:** The Department has excellent Centrally Air Conditioned Computer centre consisting of about 6 servers & 120 Machines, Various types of Printers, scanners etc etc. Latest & required soft wares are loaded on the Servers & Computers hence the centre is catering the need of following laboratories

Unix Lab	Multimedia Lab
RDBMS Lab	Internet & Networking Lab
Graphics Lab	Software Engineering Lab

**(2) Computing Lab:** This lab consists of about one server & 30 Computers, Printers etc.

**(3) Java Programming Lab:**

#### **Faculty**

Mrs. Suman Pandey, M.Tech. (On leave)	Assistant Professor

#### **System Officials**

Amrendra Singh	System Manager (On Leave)
Amit Shukla	Programmer
Manoj Kumar	Programmer

#### **Electrical Engineering Department**

The Electrical Engineering Department is also one of the oldest departments of the Institute. The department has a well qualified faculty and technical supporting staff. All the laboratories of the department are well equipped with modern equipments. The department offers U.G. as well as P.G. (Full-Time) and P.G. (Part-Time) courses. The department has acquired state-of-the-art equipments through World Bank assisted TEQIP programme. The department is also developing Power Electronics Centre under the grant received from MHRD, New Delhi.
